

WELCOME TO GSA COCKTAIL RECEPTION & ANNUAL MEETING

Thank you to our legal counsel and sponsor:

Howard & Howard

law for business®

For the past two decades, participants in each of these industry segments, both in the U.S. and internationally, have relied upon Howard & Howard's team of experienced gaming and casino attorneys to assist them in the varied legal matters involved in the industry.

Howard & Howard has the most diverse and greatest combined gaming industry legal experience available, including experience within the industry as in-house counsel. In addition to providing counsel on typical business issues, our team offers our gaming industry clients distinctive benefits over other law firms in a number of key areas.

2018 Update

- **CEN TC456:** *Reporting in support of supervision of online gambling services by the gambling regulatory authorities*
 - GSA Europe recognized as Liaison Organization to CEN
 - GSA Europe nominated as project leader for the TC456 European Standard initiative
- **Online Standard**
 - TPI v 1.0 is being reduced to practice. Changes expected.
 - Malta Gaming Authority preparing to submit a new National Technical Standard (NTS) to the European Commission Technical Regulation Information System (TRIS). The NTS is based exclusively on GSA's Reporting Database Standard (RDS) and Regulatory Reporting Interface standard (RRI)
- **Completed a Case Study with Operators and Regulators**
 - Identified G2S components that provide value
 - Identified impediments to adoption
 - Updated the G2S vs SAS comparison

2018 Update

- **Released gaming technology white paper:**
“Why understanding this gaming technology history lesson will make your money”
- **Launched new GSA website to create higher level of transparency**
- **Building a GSA library**
 - *G2S: Unleash the power of your floor – the value that G2S deliver to an operator*
 - *TPI: Unleash your content choices – How TPI enables more game content for an operator*
